## **SAVIN INTRODUCES HIGH-PERFORMANCE DIGITAL IMAGING SYSTEMS**

### *Savin 8035e/8045e Series Boosts Productivity, Ensures Security and Combines Power and Functionality*

**West Caldwell, N.J., January 9, 2007** – Savin today introduced the 8035e/8045e Series of Digital Imaging Multifunctional Products (MFP). An exceptional choice for performance-driven offices, the Savin 8035e/8045e Series offers busy workgroups the power to work quickly, securely and efficiently.

This enhanced series, which now offers a print only configuration and new supplies, allows Savin to provide more affordable and flexible printing solutions, while still maintaining all the innovation and dependability of the 8035/8045 Series. The new 8035e/8045e Network Printing configuration features an upgrade path for faxing and PCL Printing/Scanning and is the ideal productivity-generating printing solution. Printing at speeds of 35 and 45 pages per minute (ppm), respectively, and at 600 dpi, the 8035e/8045e Series also features a 466 MHZ processor and 384 MB RAM.

*“The Savin 8035e/8045e represents the very best of Savin’s commitment to versatility, affordability and productivity,”* said Ron Potesky, vice president of Corporate Product Marketing.

To reduce network traffic, the Savin 8035e/8045e Series offers Scan-to-URL, which minimizes network congestion by sending a URL link to access a document rather than an entire file. The PDF Direct Print function also streamlines network workflow by allowing the user to print a PDF document without opening and expanding the document.

Beyond boosting productivity and efficiency, safeguarding sensitive information is a top priority for any business or organization. Recognizing the importance of data security, Savin has outfitted the 8035e/8045e Series with Network Windows and LDAP authentication that requires users to input their existing names and passwords and prevents unauthorized access to the system. In addition, data Encryption and the DataOverwriteSecurity System (DOSS) protect data during transmission and automatically overwrite “latent images” left in the internal hard drive after a job is completed. The Savin 8035e/8045e Series also offer a Removable Hard Disk Drive as another security measure.

The Savin 8035e/8045e is available in several configurations to fit the needs of all types of businesses. Moreover, Internet-delivered services, such as Savin’s powerful DocumentMall™ document management software, is seamlessly integrated into the 8035e/8045e Series.

The suggested retail price for the Savin 8035e starts at \$8,890 and \$11,050 for the Savin 8045e. To learn more about Savin’s full line of multifunction products, please visit [www.savin.com](http://www.savin.com)

### **About Savin**

With its broad line of award winning network-ready digital output systems – including full color and black-and-white digital imaging systems, color and black-and-white network laser printers, and fax machines – Savin is helping businesses of all sizes become more productive and efficient. The Business Technology Association (BTA) recently honored Savin with two 2005 “Channel’s Choice” awards, via a nationwide poll of office equipment dealers. The Cannata Report named Savin “2003 Vendor of the Year,” the third time in five years Savin received the honor. Savin is a brand of West Caldwell, NJ-based Ricoh Corporation. ## Savin 8035e/8045e Series Specifications

<b>General/Copier Specifications</b>	
Printing Process:	Twin laser beam scanning and electro-photographic printing
Configuration:	Console
Memory Capacity (standard/max):	128/384MB RAM
Hard Disk Drive:	40 GB standard
Warm Up Time:	8035e: 15 seconds 8045e: 20 seconds
Recovery Time (from Auto Off):	8035e: 10 seconds 8045e: 15 seconds
Dimensions (WxDxH):	26.5" x 26" x 34"
Weight:	205 lbs
Standard Paper Capacity:	500 sheets x 2 trays 50-sheet Bypass tray
Optional Paper Capacity:	500 sheets x 2 trays or 1,500-sheet Large Capacity Tray (LCT)
Finishing Options:	SR790 Finisher 1000, SR880 Multi-Tray Finisher, SR890 Booklet Finisher, 2/3 Hole Punch Kit
First Copy Speed:	8035e: 4.3 seconds 8045e: 3.6 seconds
Print/Copy Speed:	8035e: 35 ppm 8045e: 45 ppm
<b>Print Specifications (Optional):</b>	
Print/Copy Resolution:	Up to 600 dpi, 2400 x 600 dpi (with smoothing)
Grayscale:	256 levels
Exposure Adjustment:	Manual & Automatic
Maximum Original Size:	Up to 11" x 17"
Copy Size:	5.5" x 8.5" to 11" x 17"
Copy Type:	Plain Paper, Transparencies
CPU:	RM7035C 466 MHz
Standard Interface:	Ethernet 10/100 BaseTX & USB 2.0
Optional Interface:	IEEE 802.11b Wireless LAN, Bluetooth, IEEE 1284
PDL:	RPCS, PCL 5e/6 emulation (Standard) Adobe PostScript 3 (Optional)
<b>Facsimile Specifications (Optional):</b>	
Modem Speed:	33.6 Kbps with Automatic Fallback
Compression Method:	MH, MR, MMR, JBIG
Scanning Speed:	0.43 seconds (LEF)

Auto Dials:	2000
Resolution:	200 x 100 dpi, 200 x 200 dpi, 400 x 400 dpi (Optional)
Memory:	Standard: 4MB (320 pages) Maximum: 28MB (2,240 pages)
Transmission Speed:	G3: 3 seconds per page (MMR compression) G3: 2 seconds per page (JBIG compression)
Optional Features:	LAN Fax, Internet Fax (T.37), IP Faxing (T.38), Fax Forwarding to e-mail/HDD/Folder with Scan/Print Installed
<b>Scanning Specifications (Optional):</b>	
Scan Speed:	Embedded Scanning: 52 ipm @ 200 dpi
Optical Resolution:	Up to 600 dpi
Output Format:	Single page: TIFF/JPEG/PDF Multi-page: TIFF/PDF
Standard Interface:	10Base-T/100Base-TX
Optional Interface:	IEEE 802.11b Wireless LAN
Scan-to Modes Supported:	Embedded Scan-to-Email (with LDAP support); Embedded Scan-to-Folder (SMB/FTP/Novell); Embedded Scan-to-URL & Network TWAIN Scanning
Scanning Element:	Flatbed with Moving CCD Array Image Sensor

**PRICING INFORMATION:**

Savin 8035e:

Copier: \$8,890  
Copier & Printer: \$9,345  
Copier, Printer & Scanner: \$10,620  
Copier, Printer, Scanner, & Facsimile: \$11,715  
Copier, Printer, Scanner, & Document Mail: \$11,820

Savin 8045e:

Copier: \$11,050  
Copier & Printer: \$11,505  
Copier, Printer & Scanner: \$12,780  
Copier, Printer, Scanner, & Facsimile: \$13,875  
Copier, Printer, Scanner, & Document Mail: \$13,980
