

BERTL'S BEST 2008

13th Annual Awards

Savin 2404WD/2406WD

- HP LaserJet compatible with Savin's Web SmartDeviceMonitor, SmartDeviceMonitor for Admin/Client and provides an unusually wide array of network and fleet management capabilities
- Web Image Monitor printer home page lets users and administrators monitor the status and configuration of the 2404WD/2406WD using a Web browser
- Standard Document Server allows users to scan or print documents to local storage and quickly retrieve and print them from Web Image Monitor or the control panel of the device for fast and efficient print-on-demand capabilities
- Control panel virtually identical to other Savin products, providing ease of use and minimizing user support and training
- Standard Windows and LDAP Authentication provides security and minimizes IT support chores — Additional security is provided via data encryption and Data Overwrite Security System (DOSS)
- Versatile input/output system provide for top/rear original output and bottom/rear print output
