

# Driving Sustainability for Our Future.

Multifunction Color

## Multifunction Color

### Environmental Features & Customer Benefits

#### DUPLEXING

Printing and copying on both sides of the paper, cuts paper bills in half, saving trees.

#### POLYMERIZED NEW PXP™ TONERS

Provides more vivid colors and smoother gradations for improved photographic reproduction. Uses much less temperature/heat energy, contributing to shorter recovery times from energy saving modes while saving energy.

#### DO NOT PRINT BLANK PAGES

Reduce paper waste by eliminating the printing of blank pages within a document.

#### SLEEP MODE TIMER

Sets the amount of time the machine waits before switching to Sleep Mode. The machine is not turned off completely.

#### ENERGY STAR\* CERTIFIED

Certification that the US EPA recognizes the device as energy efficient in design and specification. ENERGY STAR certified products contribute to a more energy-efficient world and help keep your running costs affordable.

<b>Environmental Features &amp; Customer Benefits</b> <b>ELECTRONIC PRODUCT ENVIRONMENTAL ASSESSMENT TOOL (EPEAT)*</b> EPEAT is a comprehensive procurement program. This rating program includes energy efficiency, take-back programs for equipment, packaging and consumables, reduction/elimination of environmentally sensitive substances and other important environmental attributes.							
<b>IMAGING EQUIPMENT RECYCLING PROGRAM</b> We offer customers convenient recycling options for end-of-life imaging equipment.							
<b>INFORMATION SCREEN - ECO-FRIENDLY WIDGET</b> Screen helps increase awareness on impact each user has on the environment as a function of the amount and type of jobs they produce. The screen also displays the amount of paper saved by using the duplex and combine printing functions							
<b>LOCKED PRINT</b> Reduce paper waste by only printing documents released by the user with a password at the machine. This also ensures confidential documents are kept safe.							
<b>HUMAN DETECTION SENSOR</b> Allows SOP to respond to user input quickly (1 sec).							
<b>COMBINE COPYING</b> Printing or copying multiple pages of a document onto one page saves paper.							
<b>WEEKLY TIMER</b> System can be turned on or off at specified times allowing customers to match system availability and power consumption to their work schedule to reduce costs.

<b>Environmental Features &amp; Customer Benefits</b> <b>QUICK START UP</b> Fast warm up and recovery times, speeding job queues and maximizing customer satisfaction while saving energy. 	⊘	●	⊘	●	●	●	⊘
<b>COMPATIBLE WITH RECYCLED PAPER</b> Ability to work with paper with higher recycled content which reduces environmental impact. 	●	●	●	●	●	●	●
<b>ROHS COMPLIANT</b> Our products comply with the RoHS (Restriction of Hazardous Substances) directive that bans the use of certain substances in electrical and electronic equipment products. 	●	●	●	●	●	●	●
<b>SAMPLE PRINT</b> Outputs a single set before committing the system to a lengthy print job that could result in waste. If the sample set is acceptable, the user can release the balance of the print job; if changes are required the job can be modified or deleted. 	⊘	●	●	●	●	●	●
<b>STAPLE-FREE STAPLING</b> Bind up to five sheets of paper with no staples using our unique Staple-free Stapling option. This unique technology helps lower supply costs, free up document storage space and expedite future paper shredding needs. 	⊘	⊘	⊘	○	○	○	⊘
<b>CONSUMABLES TAKE-BACK PROGRAM</b> Savin branded toner containers and cartridges can be returned to us for environmentally friendly recycling. See <a href="http://www.rioh-usa.com/recycling">www.rioh-usa.com/recycling</a> for details. 	●	●	●	●	●	●	●
<b>TONER SAVING</b> Toner Saving is an effective way to reduce printing costs with less toner than usual. This is convenient when printouts are needed for internal viewing. 	●	●	●	●	●	●	●
